

### WE BELIEVE

*if*

we serve as concerned, caring advocates and surrogate decision-makers for indigent, vulnerable adults living in Cuyahoga and Lorain Counties

*then*

their quality of life will be improved by receiving appropriate medical care, living in safe and affordable housing, getting entitled benefits, and obtaining end-of-life care.

### OUTPUTS

 **782** people received intensive guardianship services

 **7,312** hours of medical decision making by guardians

 **19,477** total guardianship hours

### OUTCOMES

**100%**

of people under LMM guardianship obtained access to health care

**95%**

of wards remained in the least restrictive housing placements

**95%**

of care plan goals were achieved within 90 days of guardianship
