

WE BELIEVE

if

we help youth with life skills development, supportive services and engaging activities

then

we will set youth on their way toward developing healthy and productive lives and achieving their long term goals.

OUTPUTS

292 youth received housing and shelter

510 youth served in prevention education and alternatives

32,037 meals served to youth

10,679 shelter bed days provided

OUTCOMES

improved social interaction and coping skills

Reduced reports of youth participant conflicts with staff or other residents
